A Pleased Savings Bank Depositor.

There is no county in Vermont, indeed, hardly a town in the state, or a state in the Union, that does not have a Savings Bank in the Hyde Park Savings Bank.

The unprecedented growth of that institution is the result of two things: first, confidence; second, satisfaction with its management.

Everybody is well treated at that bank and everybody is satisfied.

Ask your neighbor who deposits there and see if he does not vouch for the truthfulness of this statement.
